

Ramadan Plan 2012

Agriculture Department
Government of the Punjab

FOREWORD

To keep pace with the directions of Chief Minister Punjab, Ramadan Plan-2012 is envisaged by the Agriculture Department (Marketing Wing) to extend relief and resource diversion to facilitate people during Holy month of Ramadan. The critical step of this plan is to establish Agriculture Fair Price Shops for providing Fruits, Vegetables and Grains on wholesale rates to general masses. Last year, more than 4.721 million people benefited from this service and it is going to provide relief to 5.5 million citizens this year.

On the pattern of last year, this service will be replicated during the Holy Month of Ramadan-2012. One Agriculture Fair Price Shop will be established in each Ramadan Bazaar by the concerned Market Committees across the Punjab. 08 essential commodities viz. Potato, Onion, Lady Finger, Bitter Gourd, Squash (Kaddu), Banana, Dates, and Rice will be provided on the Agriculture Fair Price Shops on wholesale rates while the other 02 items i.e. Gram Pulse & Basin will be provided on subsidized price. For achieving this goal an amount of Rs. 218.00 Million (Rs. 205 Million to be used as Revolving Fund for purchase of Gram Pulse & Basin and Rs. 13 Million for other 08 items) is being provided through the block amount reserved for Ramadan-2012 subsidy in the Budget Book 2012-13 as a grant to be provided to all the District Coordination Officers in Punjab in their specific Special Drawing Accounts (SDAs).

I am highly grateful and thankful to all the Commissioners, all the District Coordination Officers (DCOs) on last year's cooperation in setting up Agriculture Fair Price Shops. These key Officers perform pivotal role in the successful execution of Ramadan Plan-2011 and the same type of cooperation is expected during the current year 2012.

I hope that with the assistance, support and leadership of the Commissioners & DCOs and well-coordinated team efforts of the EADAs (E&M) and Market Committees, the objectives of this plan would be achieved successfully during the Holy month of Ramadan.

**Muhammad Mushtaq Ahmad
Secretary Agriculture

INTRODUCTION

Agriculture Department prepares Ramadan Plan every year for providing relief to general public through the establishment of "**Agriculture Fair Price Shops**" in terms of service delivery and reduction in prices of essential agricultural commodities under the instructions of Chief Minister Punjab. Last year ten Commodities; Potato, Onion, Ladyfinger, Bitter gourd, Squash (Kaddu), Banana, Dates, Gram Pulse, Basin, Rice, were provided on the Fair Price Shops to public at wholesale rates. More than 4.721 million people benefited from this service.

This service will be replicated during the Holy Month of Ramadan-2012. Agriculture Fair Price Shops will be established in each Ramadan Bazaar by the Agriculture Department through Market Committees across the Punjab for provision of above said ten essential commodities on wholesale rates.

This year the production of gram is short by 48 percent. Private sector is importing gram to fill the gap. There is likelihood that prices of gram products may go up during Ramadan due to increased demand. In pursuance to instructions of Chief Secretary, a meeting was convened with all the commissioners under the chairmanship of Secretary IC&I to ascertain the demand of Gram Dal and Basin to be sold in Ramadan Bazaars. The Commissioners put forth a demand of 2273 ton of Gram Dal and Basin as compared to actual sale of 1126 tons during last Ramadan. Keeping in view the supply and prices situation it will be better if total supply of 2273 ton is ensured at district level through local purchase before the start of Ramadan.

In view of above, an amount of Rs. 218.00 Million will be provided through the block amount reserved for Ramadan-2012 subsidy in the Budget Book 2012-13 as a grant to be provided to all the District Coordination Officers in Punjab in their specific Special Drawing Accounts (SDAs); Rs. 205 Million to be used as **Revolving Fund** for purchase of Gram Dal & Basin and Rs. 13 Million for setting up Fair Price Shops for supply of 08-items at wholesale rates in each Ramadan Bazaar through 135 Market Committees in 36 districts.

In this Ramadan Plan, different information have been given such as Division & District-wise list of Ramadan Bazaars along with its locations, No. of Fair Price Shops, Name of In-charge of Fair Price shop along with his Mobile No, Supply Chain Analysis of essential commodities, Names of main dealers of essential commodities along with their contact No; list of cold storages and commission agents. Telephone Nos. of important offices like Agricultural Secretariat, Commissioners, DCOs, EADA (E&M) and Market Committees etc.

All the Commissioners, DCOs, Extra Assistant Directors of Agriculture (E&M) and Chairmen/ Administrators / Secretaries Market Committees have been informed about the detailed standard operating procedure (SOP) for setting up Agriculture Fair Price Shops of Fruit, Vegetable and Grains.
